

# pipeline

A cannabis business growth engine

**Welcome to Pipeline** — a collaboration supporting cannabis startups and businesses navigating all the phases of development, operations, and building sustainable growth.

Formed from two leading powerhouses of industry:

**Andrew DeAngelo**, the recognized leader in cannabis advisory services; and **ACV Consulting**, a modern, growth-focused agency offering omnichannel, retail, digital and content marketing leadership.

Pipeline is committed to being your strategic ally, propelling your cannabis venture forward with industry expertise, innovative strategies, and a growth-focused mindset.

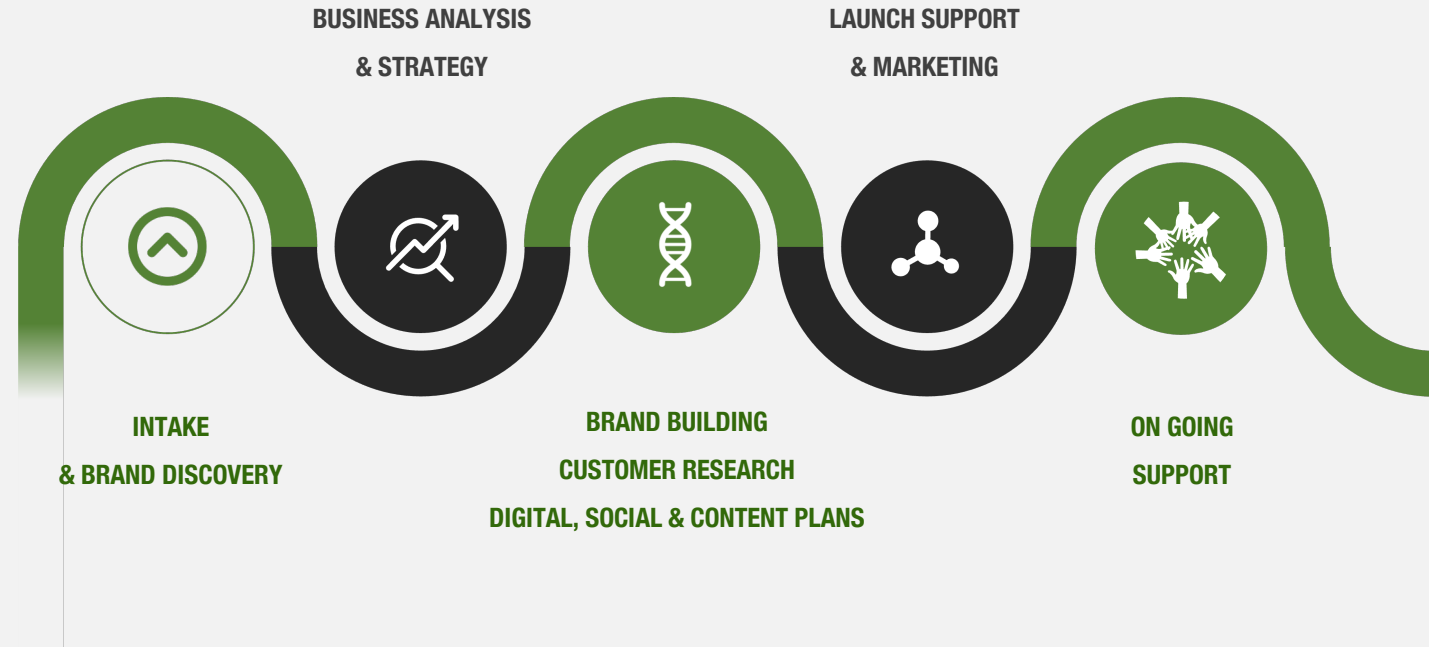

Whether you're just starting or looking to expand your presence, we are here to support you at every step of the journey, ensuring that your business thrives and flourishes in the ever-evolving cannabis landscape.
